Matthew M. Kling, PhD

mattkling@berkeley.edu; 802-488-4668 3040 VLSB #3140, UC Berkeley, Berkeley, CA 94720 $Updated\ November\ 2,\ 2020$

RESEARCH

I investigate what shapes the geographic distributions of plant genes, species, and ecosystems, and how we can predict and prevent the erosion of biodiversity under global environmental change. My work integrates new modeling approaches with big data to explore vulnerability patterns at macroecological scales.

EDUCATION

PhD, Integrative Biology

2020

University of California, Berkeley—David Ackerly, advisor

Thesis: Plants on the move: the biogeography of dispersal and persistence

under climate change

BA, Conservation Biology & Environmental Studies

2005

Middlebury College—Stephen Trombulak & Andrea Lloyd, advisors Thesis: The ecophysiology of alpine treeline: a case study of balsam fir

AWARDS & FELLOWSHIPS

NSF Graduate Research Fellow (\$102,000 + tuition)	2015 – 2020
Berkeley Fellow (\$60,000 + tuition)	2015–2020
NSF NRT Data Science Fellow	2015 – 2017
USGS-NatureServe EcoInforma student app award (\$2000 travel)	2015
EPA Apps for the Environment (National runner-up)	2011
Departmental High Honors & Magna Cum Laude, Middlebury College	ge 2005

RESEARCH POSITIONS

Postdoctoral Scholar, Ackerly Lab—UC Berkeley	2020–present	
Consultant in Global Change Biology—NatureServe	2015 – 2019	
Bioclimate Analyst—NatureServe	2013 – 2015	
Science Analyst—Brighter Planet	2008 – 2013	
Supervisory Biologist—Institute for Wildlife Studies	2007 – 2008	
Canid Ecology Crew Leader—Yellowstone Ecol. Rsrch. Center	2005 – 2006	
Plant Ecology Technician—US Geological Survey	2005	
Ungulate Ecology Technician—National Park Service	2005	
Environmental Intern—Administracion Ambiental Cooperativa Chilena		
Research Assistant—USDA National Wildlife Research Center	2002	

LANGUAGES & SKILLS

Spoken: English (native), French (adv.), Spanish (adv.), German (beg.)

Programming: R (adv.), Python (int.), LATEX(int.), git (int.)

Geographic information systems: ArcGIS, R Design software: Illustrator, InDesign, Photoshop
